“ *Andre, you were one of my favorite on earth angels that brightened my day when I served you in school. The smile and alertness that you expressed to me brought a smile to my face each time we were together. Now you are apart of my favorite angels in heaven. I will miss your smile and time that we spent together as speech therapist and student.*

“ I was fortunate to meet Andre one time by accident. I think he was about 1 year old. Coming back from San Fransisco I changed planes in Arizona . Much to my surprise there sat Sharon West Troche . We used to work together. Andre was a cute little baby boy sitting on his moms lap with daddy there too. I am thankful for that unexpected opportunity . :). Tammy Davidson
