Tribute Wall

“ I was honored to take care of Mrs. Wright during her stay at Dogwood Forest of Acworth. She always told me she appreciated me and loved me before I left her apartment each day. On Sunday morning, January 3 I came into give her medicine and she asked me to get in bed with her so I did. We laughed and talked and after she took her meds she told me that she loved me and to have a good day. I know now that she was telling me see you later! I'm blessed to have known her! Traci I extend my condolences to you and your family! If there is anything you need please let me know!
