“ Yoder Family,  
I knew Kim and Blaine when we were just  
boys, we went to school together,  
lived just down the road on Hillgrove southern  
RD.  
Lots of good memories of boyhood mischief, and all the hours Kim  
and I spent  
spent working together on the John Blocher farm.  
Kind of lost track, of these guys about 30 plus years ago, one thing  
we can be sure of  
is we will all reunite in heaven, May God Bless and comfort You All,  
in this time of grief.  
Best Regards,

“ Dear Yoder Family

*I have known Blaine for about five years. I came to know him as an honest, intelligent, and loyal friend. I am deeply saddened by his passing and only wish that he could have come to Florida with me for some salt water fishing as we planned this summer. Every time I saw him last winter and spring we talked about how we would approach the fishing, which in an offshore environment can be quite technical as well as physically challenging. He enjoyed reading the numerous fishing magazines that I gave him and often had insightful questions to ask. He will be sorely missed by me and my little Bulldog Ollie.*

*I want to express my sincere condolences to all of you and please know that you are in my prayers.*

*God Bless the Yoder Family*

*I never knew Blaine, but I purchased a Harley Davidson the other day. When I typed the name that was on the title into Google it brought me to this page. To my surprise the white Harley that Blaine is standing next to is the bike I bought. Each time I ride and feel the wind in my face it will keep the memory of Blaine alive. My thoughts and prayers go out to the family.*

*Live to ride and ride to live...a tribute to a man I never knew, but he helped change my life.*

“ Janet, I am so sorry for your loss. Please know you're in my thoughts and prayers. I will always remember Blaine as that boy I met who was full of life and devastatingly handsome! I hope all of you are together again someday.

*my heart is weeping! so many fond memories of our years growing up, you were more a brother than a cousin. Then you left my life and I missed you so, for many years. Then we finely reunite only to loose you again until we meet in heaven. I will miss you and hold on to the memories till then. My prayers will continue for your mother and son! Till we meet again my brother, my friend. I love you.*
