“ I am so very sorry to hear of your loss, words do not seem enough. Brenda always had a smile and always seemed to take the world in stride no matter what was happening. Her light will always be in your memories.

“ My memory of Brenda Robinson Driver is: She is one of the children of my Uncle Bill and Aunt Mary. She was a very beautiful child with the prettiest head of black curly hair I ever saw. I moved away from Conyers when I graduated from High School and have not seen her as much as I would have liked to. We all were so proud when she met her feller and they got married. She was so good to my Aunt Lessie in her last years of living. Even moving into her house to care for her. She always seem cheerful and upbeat even with all the sickness in her family and in her life. She will be so missed by all of us.
