“ *My prayers are with your family. Our children are not supposed to die before us. I share your pain and tears, as a bereaved parent of a son and the pain of losing a husband. Just know you are not alone in God. When you are ready, check out The Compassionate Friends a group just for bereaved parents and siblings. (www.compassionatefriends.org) . Jesus, thank you for giving this family the peace that passes all understanding. Amen.*

“ Sabrina, Joel and Chase,

My heart goes out to you. Even though I never meet Tyler, every time I seen you, you were always talking about him. About how good of man he was and how much he loved the boys. Even though he isn't here in body, he will always be here in spirit. He is always with you. My God bless you while you go through this difficult time.

Dear Joe and Betty,
*I know that there seems to be no comfort in times like these. I am so
sorry this has happened. I wish I could do something myself for you
that would help. One thing I do know.....I can pray and ask Jesus, who
is the Great Comforter, to help and to be with you and all the family! It
will be tough, and you 'will' get through this!*

“ Betty and Joe, we are all deeply saddened by the loss of your dear son, Tyler. What a terrible tragedy for your family. While we've never met Sabrina, please give her our prayers for her and her beautiful sons. Someday, if I ever get to heaven, I will have some very pointed questions to ask God. May He help in your healing.
