“ I would like to send my condolences to the family. I met Diane while working at Pactiv, she was a warm loving person. She would bring snacks to work for the employees. She came to visit me at my home when I was sick and brought me a get well basket. She also introduced me to auctions, and would cook and invite me over for dinner. We would often go out to Donatello's to eat and have a good time. She was so tickled when she found out my granddaughter shared her birthday. I'm going to truly miss my friend!
