“ *Greg,*

You will be always be remembered as a fun and happy person by all of your classmates and especially from your Class of 1971. I am so happy and thankful I got to spend time chatting with you at our April 22, 2017 NCHS Class Reunion. We had a chance to go back in time and reminisce over our high school years. You will always hold a special place in my heart.

I will miss you as well as all of your friends and family.

See you in Heaven one day.
