“ Grandmommy;

From the first moment you smiled upon me, you gave all that you had...unconditionally. You taught me kindness, patience, and love. We formed a closeness God blessed from above.

Then the seasons passed quickly, and as I grew, each year just increased my devotion to you. I learned among other things, from your caress. that the world is much sweeter with tenderness.

Every young heart should have someone like you, who helps them believe dreams can really come true. Someone who always remains by their side, whose faith in them fosters a strong sense of pride.

One sweet special someone, "Grandmommy" by name, whose love helps ignite a perpetual flame, that adds warmth and beauty is so many ways, a light that will guide me through all of my days.
