“ I am sad to hear about Johnetta's passing. We were friends and classmates at Greenwood High. My fondest memories of her are the times we all got together at her house, singing them oldies but goodies (ex. Diana Ross and the Supremes). My condolences to the family.

“ I was recently informed and saddened to find out about Johnetta's passing. She was part of the Life Sciences department at Bishop College. Our graduating class was one big study group that worked together and passed the difficult Biology and Chemistry classes. Johnetta's humor and patience kept our spirits up many times. My regards and condolences to Johnetta's family.
