“ *Where do I start?I met Mike in 1979,we married on November 8 1980,we moved in Country Acres MHP.We had first son Bobby Wheeler on Feburary 15,1982.We had our 2nd son Michael Wheeler on September 11,1985.We had a lot of great years together,raising our children,he coached baseball for both of our boys.We divorced after 11 years,but we broke the mold on divorce,we stayed friends,theres nothing i couldnt ask him far that he wouldnt do as best he could.Mike will be so missed,he has grandchildren that he will never see grow up,we will tell them about him,so they will know the kind of paw paw he was.There is a great big hole in my heart,when i think how hard he always worked.sometimes 2 jobs at a time,to take care of his family,and then to lose his battle with cancer when he could finally enjoy his granchildren.Know this Mike Wheeler you was loved by so many.We will miss you. “ *Mike always loved the superhero Batman, little did he know he was his daughter's (Jenny) superhero! He had a way with her that made her feel special when they were together. He will always have a special place in our hearts and in our memories! Now he is enjoying happy times again with his Mom and Dad and smiling down from heaven. God had an opening for an angel and chose Mike. He will be greatly missed, but will live forever within us. We love you and will miss you very much! Good bye Daddy/Mike.*

Love forever!
