“ I will always remember her smile as you walked through the door. You never had to knock because the door was always open. I remember Michael getting in trouble and yes I got in trouble quite a few times too (and we always deserved it). I remember how Flash would follow her around the house. She was a great mom to many and will be greatly missed by them all. Now she is with God in heaven hanging out with Flash in peace with no pain, sickness or suffering any longer. May peace be with you all. Love you all Steve, Shelia, Becky, Michael, and Brian.

“ We have many great memories of Patsy and her willingness to serve God where ever she could. She was faithful in teaching her children's Sunday school class. I remember she had taken her own money and purchased a tape and CD player for her class so that she could let the kids hear Bible stories and have singing time. After years of use her CD player was taken from her classroom. Her adult sponsoring class purchased another and took it to her. In her usual humble way she tried to insist that she would pay for it but finally consented to receiving it as a gift of love. Patsy loved the children in her class but had a heart for all children. She would go out on Tuesday nights to visit families in the community and invite them to our church. Many times she would entertain the children while the Pastor talked with the parents. She had a bag of coloring books or small toys to share with the kids we would come across while out on church visitation. Patsy's smile, sweet nature and faithfulness will be greatly missed. We love you and will miss you. Love the Lockett Family.

“ *Steve, I am so sorry to hear of Patsy's passing - before I moved away from Prospect I really enjoyed sitting behind you two on Sunday mornings and chatting - I no longer live in the Covington area so I will not be able to attend the service. My thoughts and prayers are with you and the family during this difficult time. Terri Tuchscherer*
