“ I remember one night, We were either at our house in Ellenwood or at Glenn and Marie's house. I was coming home with you all to spend the night. we were all packed into a volkswagen beetle, traveling up hwy 54 and forest parkway. When all of a sudden the hood blew up on the car. We all screamed your dad pulled into the parking lot of Auto Air of Georgia to pull the hood back down. I remember laughing so hard we were all crying.. I also remember the camping trips our families took in the spring and fall to Hiawassee Ga. The good olde days!! Have always kept in u and your family close to my heart! Rest in peace dear friend. “ From working together closely for over 25 years, to attending Eagles concerts together, to having loads of fun and laughter at work, to Annette trying to hook me up with a guy at a salad bar a few years back, I have nothing but the most fond memories that I will cherish forever. Annette helped everyone at work and provided vital information to the Home Center and Showroom Sales teams. All with a smile no matter how heavy the work load was each day. We were work "sisters" and I will miss her dearly. May the Lord provide peace and comfort in the coming days.... Becky Chapman

“ Annette will always be special in my heart because she was one of the first friends I remember having. As her cousin, it seemed we had a lot of time to play together. I can remember playing on her swing set in her back yard. Running around and just being children. I have fond memories of being a part of a warm and loving family visiting at Granny and Granpa's. Having dinner and going outside to play in the yard while all the adults sat around and talked. Annette always had a sweet smile on her face, and was always easy to be around. I'm so happy to have been blessed to have such a precious cousin like Annette. I Know we will meet again in heaven.

Much love to you Annette.
