“ *This past year I've been so blessed to spend so much time with you. I knew you needed me and depended on me but the most rewarding gift I could have ever received was the abundance of time I got with you. Being there with you right up until the very end was such an honor. I hope you knew how much you meant to me. Until we meet again Terro.
Love your niece Brandi.*

“ Terry was a great guy and a good friend to the band. He really helped us at the beginning by giving us a home base and will always be a member of the band family. We will miss him, but remember him always.
