“ I sure miss you dad. It is so hard to believe that its been almost 5 years. Nothing about life is or will ever be the same. Grief is such a heavy weight to carry. I look forward to the day when we are all reunited. I love you so much.

“ I only knew Tom for a short period of time about 8 years or so. We worked together at Atlanta Gas Light. Tom was always easy to talk to and if I ever needed anything from the warehouse or if he had to order it he would get it for me no questions asked. He will be truly missed as a co-worker and a friend. My thoughts and prayers for the family and friends.

Sincerely,

“ Mr. Tom was a really good man. I only got to work with him on Fridays when I wasn't on a job. He spoke so highly of his wife Carla. He truly was an example of a man dedicated to his wife and family. He was a good friend to me. We talked some mornings an hour or so about life and faith in the Lord. He said some mornings he could hardly wait for the Lord to come back and take us to be with the Lord. Well, Mr. Tom has just spent his first Christmas with the Lord Jesus. I pray that Mrs Carla can be comforted that one day he will be there to welcome her. I cant imagine the beauty and glory he must be looking at. I know he loved you with all he had.

I am praying for the family and hope they find peace. I did not have the honor of knowing Tom and Carla but I am honored to know their beautiful daughter, Tammy. I know he is very proud of his daughter and will watch over all of them from above.
