“ *My cousin Tommy held a special place in my heart. He was always caring and a passionate musician. His Mom Barbara took me to one of his jams with his band; they starting playing Mustang Sally. Barbara poked me and said that's one of his. I didn't want to burst her bubble. I just said that's a good one. Needless to say she was a proud Mama. Tommy was a great animal lover from dogs to chickens to horses. There are no words other than my heart is broken. My thoughts and prayers are with his family and friends. Rest in peace my sweet Tommy.*
